

Finally

Words and Music by Lisa Witty

1. **G Am7 G Am7 G**
Have you ever been kissed without being kissed?
Am7 G Am7
Have you ever felt this way?

2. **G Am7 G Am7**
Have you ever at a loss for anything to say?
G Am7 G Am7
Cause there are no words that can describe what's inside your heart and head.

CHORUS: **C D C D**
Well just imagine what it's like to be in heaven
C D C D G
Floating high above the ground where you finally spread your wings.

3. **G Am7 G Am7**
There's no poetry in lies so I seek the truth
G Am7 G Am7
and I saw kindness behind those eyes when I met you.

CHORUS: **C D C D**
But I could've never imagined what it's like to be in heaven
C D C D G Am7...
Floating high above the ground where you could finally spread your wings.

Finally...

4. **G Am7 G Am7 G**
There's so much I've missed so much along the way.
Am7 G Am7
But I've been kissed and now I have to say

CHORUS: **C D C D**
That I don't have to imagine what it's like to be in heaven
C D C D G Am7...
Floating high above the ground where I can finally spread my wings.

Finally...Finally...
